<p>All provisions of building codes, zoning ordinances, or other ordinances of Effingham County and that any omission of or misrepresentation of fact with or without the intention of the permit holder shall constitute sufficient ground for the revocation of any permit issued which was based on the approval of this application. The granting of a permit does not presume to give authority to violate or cancel to provisions of any other state or local law regulating construction or the performance of construction and any alteration from this application. The permit holder will be held responsible for insuring that all permits have been obtained and that all required inspections have been made. The permit holder will be held legally liable for any violations which may occur with or without their knowledge. The permit holder may request a Certificate of Occupancy when all required inspections have been approved. As the permit holder I understand and agree and certify that I have read and examined this application and know the same to be true and correct.</p>
